1. Building and keeping a leadership team

The lifeblood of any ministry are its volunteer leaders. This session discusses practical ways that I have successfully used to find, develop, and keep great teams of passionate leaders.

2. Praise and Worship with children

One of the hallmarks of my ministry has always been passionate praise and worship with children. This session explains how you too can ramp up the effectiveness of these crucial elements of your kids service.

3. Gospel Illusions

Stretch your creativity muscle while learning some actual gospel illusions that you can easily do to connect, excite, and teach kids. Incorporating the art of Gospel Illusions gives you the “Wow Factor” with kids, and erases language barriers on missions trips.

4. Games that create excitement

Games done right can add a tremendous amount of excitement and expectation to your ministry. Come along with me on a fun ride as we learn techniques, and participate in some great games that are nearly as much fun to watch as they are to play.

5. Discipling and training young leaders

Investing in young leaders can be challenging in the beginning but it’s a GREAT day when your investments begin to multiply! Learn a step - by - step plan to invest in young people so they will never again be satisfied to sit back and watch church happen.

6. Out of my Mind

A practical walk through more than 20 years of Kidmin thoughts and ideas. A literal buffet of tasty ideas, covering most every topic a Kidmin leader deals with.
