Ministries office has many beneficial leadership tools and
resources to train and equip your
Missionettes leaders. A small
investment in your leaders will

through Missionettes.

# **Training Tools**

## Training Guide

The Missionettes Leader Training Guide is an awesome tool for helping leaders learn the in's and out's of Missionettes. Along with the Missionettes Leader Training Kit (video and instructor's booklet), your church can train leaders immediately upon volunteering for service. You can follow up later with your district's training event. Both of these resources are available in Spanish.

Additional leadership development units are also available. Your leaders can enhance their skills through a variety of topics—relationally, educationally, and spiritually. Every set of

development units published will improve your leaders and their ministry to girls. Additional units will be promoted in the catalog and on the national website.

#### Coordinator's Guide

Your Missionettes coordinator has many details to organize. The *Missionettes Coordinator's Guide* is an invaluable tool to walk her through the responsibil-

ities of her job. She'll gain insight to fund-raisers, record-keeping, recruiting, a review board, and planning special events.

## Leader's Connection

Leader's Connection is a quarterly publication that will keep your leaders informed of success stories from other churches, FAQs, and curriculum and leadership resource updates. This 16-page insert in our girls magazine, Club Connection, is a quarterly maga-

zine that will inspire your leaders and give them creative ideas to use and customize to your church's needs.

#### List Serve

The national office also monitors a leadership list serve. Leader's Link is a free service to sponsors and other leaders of Missionettes. Questions and responses, news releases, special announcements, etc., are sent out at least once a week depending on the number of questions or ideas received. Leaders may join by sending a blank e-mail to join-leaderslink@news.ag.org.

#### Missionettes Website

Another great resource the National Missionettes Ministries office offers to your leaders is our website: <a href="www.missionettes.ag.org">www.missionettes.ag.org</a>. On this regularly updated site, your leaders will find Frequently Asked Questions, information about national events, updates on curriculum and materials, tips for sponsors by club level, and many downloadable pages to be used by coordinators and sponsors.

Adequate training and access to resources will reduce your sponsors' stress as they will be ready for unique situations and know the intricate details of Missionettes Ministries. Take advantage of the tools and

resources we provide. Help your Missionettes leaders to fulfill their calling as we all work together for a great harvest of girls.
